## Gerald Augusto Audubon Natural Science Scholarship 2018

This fund was set up at the Chautauqua Region Community Foundation in memory of Gerald Augusto. It is designated to be used specifically “for scholarships for graduating seniors or underclasspersons from high schools in the Southern Chautauqua Region for the study of the natural sciences at the Audubon during the summer months.”

### Who is eligible?

ACNC has opted to make this opportunity available to high school juniors from one of these schools:

- Jamestown
- Falconer
- Frewsburg
- Southwestern
- Chautauqua Lake
- Maple Grove
- Panama
- Clymer
- Sherman

### What is involved?

**Title:** Introduction to Ornithological Research Techniques

- Attend a minimum of five of seven banding sessions at Audubon to learn bird banding and nest box monitoring techniques and protocols under Penn State Instructor Emily Perlock.
- Dates: 6/2, 6/16, 6/23, 6/30, 7/14, 7/21 and 8/4  
Some flexibility is required as dates may have to be rescheduled due to weather. The time each day is approximately 6:00 a.m. until noon, but will vary. Research protocols require that nets open at dawn and banding proceed for six hours.
- Produce evidence of learning (poster, slide presentation, report, notebook, other) and attendance sheet signed by the bird bander in charge.
- Award of \$400 presented at the last session.

### How to Apply

Complete the attached application and mail it to:

Natural Science Scholarship  
Audubon Community Nature Center  
1600 Riverside Road  
Jamestown, NY 14701

### Deadline to Apply

May 1, 2018

### Decision /Notification Date

May 15, 2018
