

Your field trip to Audubon

What to expect - for teachers and students

**Audubon Community
Nature Center**

You arrive at
Audubon on a
bus or in a car.

You pull up in front of the nature center.

A Naturalist greets you on the bus.

If you are staying for lunch, we unload your lunches and store them inside.

You break up into smaller trail groups, each with an animal name and an Audubon trail guide.

You head out on your Discovery Walk.

Audubon
Trail Guide

Adult
chaperone

8-12
Students

On your
Discovery Walk,
what do you
think you
will see?

In the ponds

In the forest

In the field

In the gardens

If it is raining really hard you will have indoor programs.

After the walk,
you use
bathrooms,
wash your hands
(or use hand
sanitizer).

Lunch time!

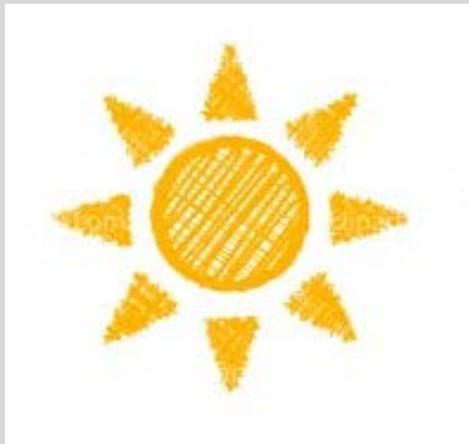

Good bye!

How to dress
for a field trip
to Audubon

Check the weather forecast.

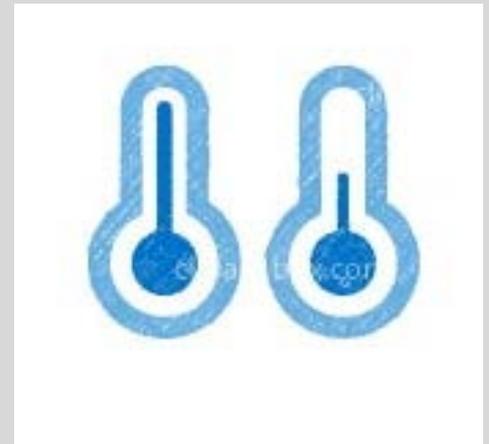

Will it be...

Sunny?

Rainy?

Warm
or cool?

How to dress if
it is warm and
sunny.

How to dress if it is warm and sunny.

Hat

T-shirt

Close-toed shoes
(not sandals)

How to dress if
it is cool or
rainy.

How to dress if it is cool or rainy.

Jacket or rain coat

Long pants

Rubber boots or shoes that can get wet

Even though it is sunny, it can be cold.
What did these students wear to be comfortable?
