Room Descriptions

The Multipurpose Room is used in three configurations, the entire room or one of two portions when divided. All three rooms are private spaces separate from the Nature Center’s public exhibit space. All offer close access to restrooms and kitchen, as well as the gardens outside.

The small part of the multipurpose room and the full room offer an open view overlooking the backyard.

Outdoor Spaces

Outdoor spaces are also available for your event at Audubon. Gardens, fields, and ponds make the perfect backdrop for weddings, receptions, or church services. An indoor rental fee is required based on the number of attendees for weather related issues. There is no rental fee for photo sessions on the grounds, but donations are appreciated.

The Stephanie Frucella Education Pavilion in the backyard provides a beautiful location for a small gathering. You can rent it as part of the backyard, or separately.
