

Gerald Augusto Campership 2024

This fund was set up at the Chautauqua Region Community Foundation in memory of Gerald Augusto. It is designated to grant one or more camperships annually to matriculating or current elementary or middle school students for the study of the natural sciences at Audubon each summer.

Who is eligible?

This campership is available to children aged 5 – 14 years, who experience barriers preventing them access to a quality, nature-based camp experience. Barriers may include, but are not limited to, financial resources, a lack of transportation, work/childcare conflicts, language, or a combination. At this time, ACNC is able to assist only in easing financial barriers but hopes to address others in the future and is collecting information to inform those efforts.

What is involved?

Fill out the application below. ACNC will award camperships based on need (number and type of barriers indicated), and may offer partial or full scholarships. Camperships are only awarded in the form of tuition to ACNC Day Camps and have no monetary value outside the organization.
