Stephanie Frucella Memorial “Making a Difference” Scholarship Application

This camp scholarship is in memory of Stephanie Frucella, a fourth-grade teacher. As a child, she loved to come to Audubon Community Nature Center with her family to walk the trails and discover wildlife, flowers, and the beauty of nature. In her life, Stephanie strived daily to make a difference in the lives of her students and community. Through this scholarship and others, her legacy will continue.

Qualifications

This is a merit-based scholarship for students going into grade five and older. Preference is given to campers who have demonstrated interest in volunteering, giving back to their communities, and mentoring others, or who are volunteering as a Counselor in Training (CIT) or Junior Counselor (JC) for Audubon Day Camps.

Include the Following

1. One application form (this document) per applicant
2. A sentence (or more) about why you (the parent/guardian) feel your child deserves this scholarship.
3. A handwritten essay (less than 1 page) written by each child about “how camp taught me to help nature,” “the importance of mentoring younger generations,” or “why it is important to give back to my community.”
